This interactive form is used to better assist our customers in the repair or service of your product. Please fill in all the required details below. Print and attach this form with any products being shipped back to Data Signs for repair. If an adequate fault description is not provided, we may need to complete a thorough analysis which may incur additional labour costs. Note: Third party products are not within the scope of service as carried out by Data Signs.

REPAIRS PAYMENT TERMS & CONDITIONS: Prepaid.

If **DROPPING YOUR SIGN(S) OFF** on a truck tray, please have the correct orientation to safely unload with a forklift.

NOTE: Signs must be booked and authorised by Data Signs to drop off at repair centre. This document must accompany the sign. Once repair is carried out, payment must be made and sign collected. A storage fee will be charged of \$ 40.00 per day if not collected within the next 2 business days. This fee must be paid before sign is released.
