

# Introducing DS-Live™

## and Migration Path from WebVMS2

### Introducing DS-Live

All new products will now be connected to our powerful and intuitive Managed Services platform DS-Live, which is a turnkey subscription solution, and can include a dedicated SIM card and connection to the most advanced sign management system available.

#### WHAT HAPPENED TO WebVMS2?

WebVMS2 as a platform was decommissioned February 2020

#### DS-Live™ FEATURES: –

- ✓ DS-Live will continually monitor your Sign and advise if actions are required.
- ✓ The new platform provides an easy to use interface.
- ✓ Real time & fast updates of Messages when fitted with Data Sign SIM cards
- ✓ New Dashboard & more user friendly
- ✓ Continually improving and enhancing new features

#### I HAVE EXISTING SIGNS – WHAT DO I NEED TO DO?

To use the new programming platform, which is a subscriber service, go to <https://ds-live.com.au/home/index>

OPTION A	Annual Fee	Quarterly Fee	Monthly Fee
DS-Live Subscription with <i>YOUR</i> SIM Card <b>YOU DO NOT NEED TO UPGRADE YOUR SIGN CONTROLLER</b>	\$150*	\$39*	\$13.25*

**IF** you have the following controllers and you are wanting the Subscription with a **Data Signs SIM Card** – Option B (faster speed and much greater security) then the following will apply:-

OPTION B	Annual Fee	Quarterly Fee	Monthly Fee
DS Live Subscription with Data Signs SIM Card - (Faster) (Convenient for keeping track of costs especially for multiple signs)	\$300*	\$78*	\$26.50*

RM-32D Sign Controller (less than 2 years) Firmware version: 08.*.*	RM-32C Sign Controller (signs older than 2-4 years) Firmware version: 07.06.* / 07.07.*	RM-32B Sign Controller (signs older than 4-6 years) Firmware version: 07.05.*
<p><b>NO SIGN CONTROLLER UPGRADE REQUIRED</b></p> 	<p>\$245* <b>upgrade cost only</b> per controller Includes: ✓ 3 month warranty on the upgraded controller.</p> 	<p>\$270* <b>upgrade cost only</b> per controller Includes: ✓ 3 month warranty on the upgraded controller.</p> 
<p><b>Your controller <u>MUST</u> be returned to Data Signs Vic Service Centre for upgrading and to determine suitability.</b></p>		

-For more information regarding older Sign Controllers please refer to "**OLDER CONTROLLER REPLACEMENT**" document on our website

#### WHAT IF I DON'T WANT TO SUBSCRIBE, CAN I STILL REMOTELY PROGRAM MY SIGN?

**YES** Users can still have access to program their signs fitted with their own SIM Card via SMS functionality, a SMS Programming guide is available from the Data Signs Web Site [www.datasigns.com.au](http://www.datasigns.com.au).

Note: Credit Card payments will attract a 3% Surcharge
